Rev A – March 2024

INTRODUCTION

This document is intended to provide a high level overview of how to set up a tenant to use the PTI EasyCode mobile application. For additional information, please contact PTI Support.

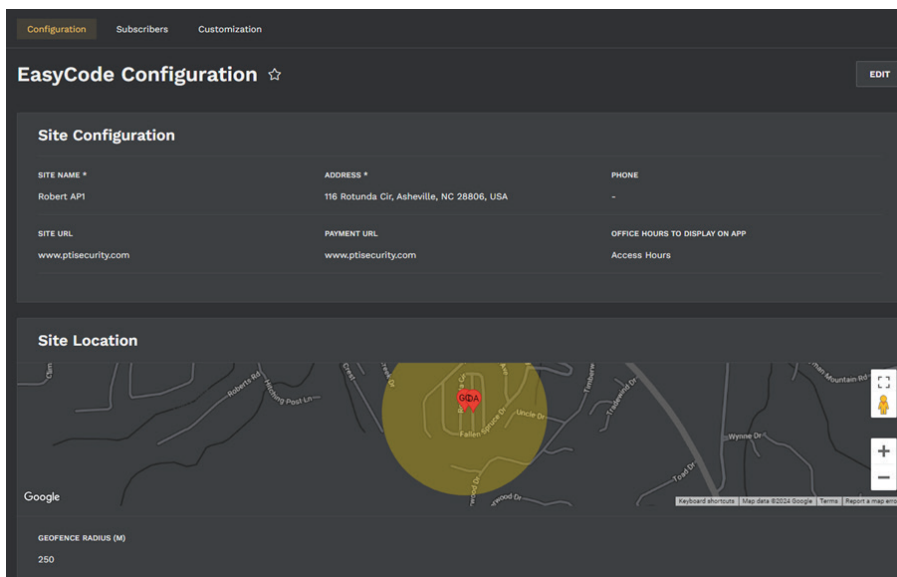

CONFIGURATION IN STORLOGIX CLOUD

1

To set up EasyCode configuration, select **Edit** and add a site name and associated address. You may also add the site’s phone number, website, payment website, or office hours.

Next, select a **geofence radius**. A user must be within this distance in meters of the site to gain access to keypads and gates in this specific area.

2

Under **Device Configuration**, the name and icon of the keypad, gate, or door can be edited. Additionally, Bluetooth beacon sensitivity can be increased or decreased in increments of 10 dB.

DEVICE NAME	EASYCODE NAME	ORDER DISPLAYED	ICON DISPLAYED	BEACON SENSITIVITY
Entry Keypad	Entry Keypad	1	Gate	10
Exit Keypad	Exit Keypad	2	Gate	50

ENROLLMENT PROCESS - AUTOMATIC

1

Click on *Send EasyCode* after selecting the user you wish to send the link to.

The screenshot shows the 'Administrator' user details page. At the top, there is a back arrow, the title 'Administrator', and four buttons: 'SEND EASYCODE', 'SUSPEND USER', 'DELETE', and 'EDIT'. Below the title are three tabs: 'Details', 'Access', and 'Additional'. The 'Details' tab is active and shows a form with the following fields:

FIRST NAME *	MIDDLE	LAST NAME *
Administrator	-	
DISPLAY NAME *	EMAIL	PIN
HELLO	-	-

2

Type in the mobile number of the tenant and select the appropriate country code. Check-mark the *Authorized to Use EasyCode* box. Then click *Send Enrollment Data*.

The screenshot shows the 'EasyCode' dialog box. It has a close button (X) in the top right corner. The form contains the following fields:

COUNTRY CODE	MOBILE PHONE
1 - United States	1234567890

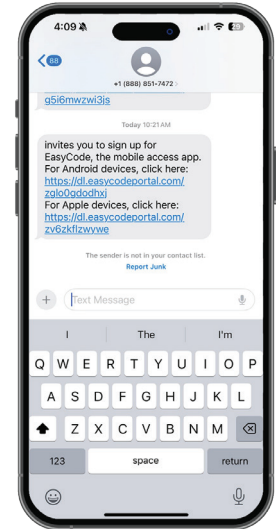

Below the form is a checkbox labeled 'Authorized To Use EasyCode' which is checked. At the bottom, there are two buttons: 'CANCEL' and 'SEND ENROLLMENT DATA'.

EASYCODE Mobile App

ENROLLMENT MANUAL

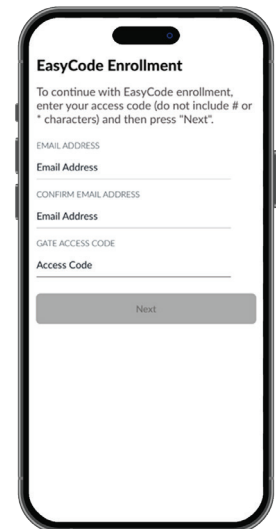

3

The tenant will receive a text to enroll. On Android devices, select the first link in the text message. For Apple devices, select the second link in the text message.

4

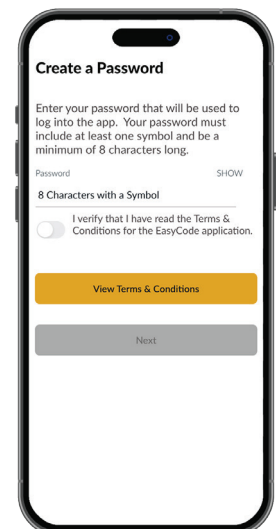

The link will open the EasyCode Enrollment page. Type your email address twice and then type in the **access code** provided by your site operator. Click **Next**.

**Access code is your gate code
Numbers only**

5

Create a password. Your password must include one special character. View the Terms and Conditions and then press **Next**.

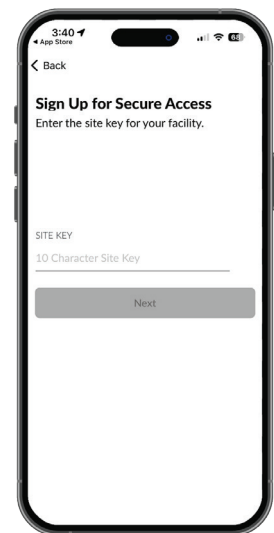

ENROLLMENT PROCESS - MANUAL

- 1 After downloading the EasyCode app from the Apple iOS or Google Play store, open the app and click Enroll.

- 2 Enter the **Site Key** of the facility. This is provided by the site operator.

Site Key: RhFqNEJAzV

EASYCODE Mobile App

3

Enter the **Access Code** provided to you by the storage facility as well as your last name. Click *Next*.

**Access Code: Gate code
Numbers Only**

4

Enter your email address and phone number. Press *Next*.

5

Create a password that will be used to log into the app. Your password must include one special character. View the Terms and Conditions and press *Next*.

6

The next page will allow you to set notification permissions. Click **Notify Me** if you want to be notified if your access code has been used to enter the property.

7

Once the tenant has been successfully enrolled, the Login page will reappear.

8

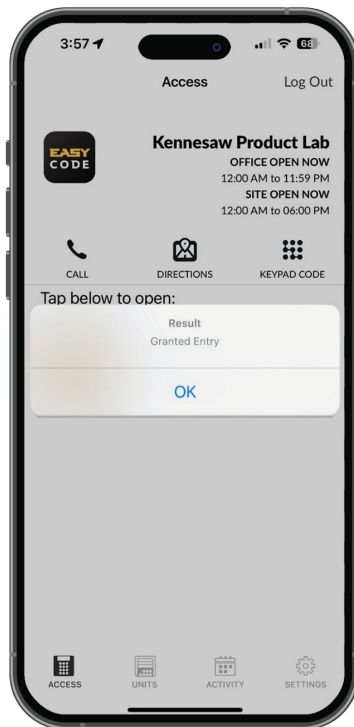

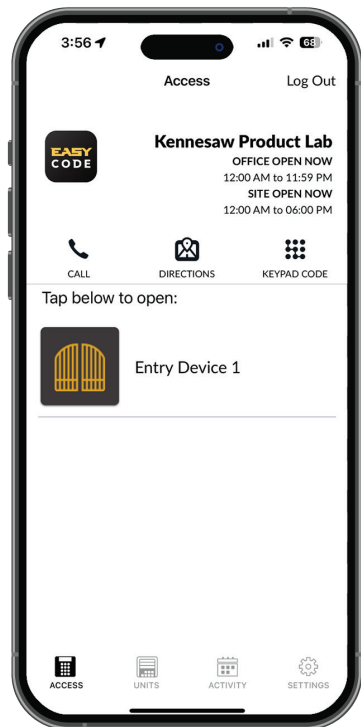

Log in by inputting email address and password.

ACCESSING AN AP1 WITH EASYCODE

The points of entry are configured in StorLogix Cloud under Device Configuration on the app home page. The name entered in the EasyCode field as well as the icon appears upon logging in to EasyCode.

Tap the icon of the device that you wish to access.

PTI SECURITY SYSTEMS

ASSA ABLOY
